

Executive Quick Read

From the desk of AHRI President & CEO Stephen Yurek, with important notifications for members, published on an as-needed basis.

AHRI Update

Brings you timely and concise articles outlining AHRI's initiatives throughout the week in legislative and regulatory policy, standards and certification activities, the global

arena, and the industry as a whole.

There's more than one way we keep you informed.

AHRI Weekly Digest

A look at the week in news, both domestically and globally. Includes industry happenings in all manufacturing areas and economic reports. Subscribe at <http://multibriefs.com/optin.php?ahri>.

Policy Brief

A detailed report of the latest legislative and regulatory priorities relevant to our industry by AHRI's Public Policy Department.

TechUpdate

A triannual overview of AHRI's research and technology news, including recent test reports and ongoing projects.

These publications are available to all AHRI members. Visit <http://www.ahrinet.org/member-news> to subscribe. For more information, contact Nicole Snyder, Communications Specialist, at nsnyder@ahrinet.org.
